INFORMAL REQUEST PETITION FOR RULEMAKING BE CONSIDERED

COMES NOW the undersigned, JAMES EDWIN WHEDBEE, pursuant to Commission Rule 1.41 (47 CFR 1.41), respectfully requesting the Commission consider and grant the attached Petition for Rulemaking filed by the American Radio Relay League (ARRL) as part of these proceedings: incorporating said Petition for Rulemaking herein by reference as if set out fully hereinbelow. As good cause therefor, the undersigned states as follows...

1. ARRL's Petition for Rulemaking was filed with the media bureau. Clearly ARRL's Petition for Rulemaking should have been brought before the Wireless Telecommunications Bureau or the Office of Engineering and Technology.
2. These proceedings invite consideration of alternatives, and specifically mentions the alternative of an amateur radio allocation at 472-479 kHz (630 meter band); therefore, it is proper to bring ARRL's Petition into consideration here.
3. The undersigned has already informally requested the 472-479 kHz allocation be granted in addition to the 135.7-137.8 kHz allocation being considered herein.

WHEREFORE, the undersigned prays the Commission consider and grant ARRL's Petition for Rulemaking in connection with these proceedings in addition to the 135.7-137.8 kHz allocation.

Respectfully Submitted:
